Holiday Branch ID Recording Instructions

For ESI Systems

1. From a station press **PROGRAM** then press **HOLD**
2. Enter your administrator's password, then **press #**.
3. Press **6** for recording of prompts.
4. Press **1** to record system prompts.
5. Enter **540** when it asks for the Branch ID or Prompt number you wish to record.
6. Press **#**. If there is a recording, it will play the existing recording.
7. Press **1** to record. Record your Holiday Greeting after the tone and press 1 when finished. *Keep in mind, this greeting should say what your night greeting says, plus the fact that you are closed for the holiday.* It will play back the greeting you just recording.
8. If you are satisfied, just press **#**. If you are not, repeat the previous step.
9. Hang up.
10. Make sure the system is in **Holiday mode** before you leave.
